

SURGICALLY CLEAN AIR™

Specification Release Date: September 2023

ONYX Technical Specifications

General Description

Manufacturer: Surgically Clean Air Inc.
 Model Name: ONYXsca
 Model Number: SCA2000C
 Colours Available: White or Matte Black
 Dimensions: (W) 450 mm x (H) 780 mm x (D) 195 mm
 Weight: 18.5 kg

Features

- Airflow up to 238 CFM
- Remote Control
- Touch Display Lock Panel
- Plug and Play Installation
- Access Panel Lock with Universal Key
- Automatic Mode
- Operation Scheduling
- UV-C+ Lamp (optional)
- Negative Ions (optional)
- Humidity, VOCs, and PM2.5 Sensors

Filtration Stages

1. Pre-Filter
2. Ultrafine Particulate HEPA-Rx Filter
3. Activated Carbon Filter

Speed	Airflow Cubic Feet Per Minute (CFM)	Sound Level
Low	125	<40 dB(A)
Medium	195	47 dB(A)
High	238	55 dB(A)

Electrical Data

Rated Voltage: 120 VAC, 1.1 A, 60 Hz
 Power Cord: Permanent

Product Safety Data

UL/CSA Certified
 CARB Certified
 RoHS Compliant
