

Specification Release Date: September 2023

# ONYX Technical Specifications

### General Description

Manufacturer: Surgically Clean Air Inc.  
Model Name: ONYXsca  
Model Number: SCA2000C  
Colours Available: White or Matte Black  
Dimensions: (W) 450 mm x (H) 780 mm x (D) 195 mm  
Weight: 18.5 kg

### Features

- Airflow up to 238 CFM
- Remote Control
- Touch Display Lock Panel
- Plug and Play Installation
- Access Panel Lock with Universal Key
- Automatic Mode
- Operation Scheduling
- UV-C+ Lamp (optional)
- Negative Ions (optional)
- Humidity, VOCs, and PM2.5 Sensors

### Filtration Stages

1. Pre-Filter
2. Ultrafine Particulate HEPA-Rx Filter
3. Activated Carbon Filter

Speed	Airflow Cubic Feet Per Minute (CFM)	Sound Level
Low	125	<40 dB(A)
Medium	195	47 dB(A)
High	238	55 dB(A)

### Electrical Data

Rated Voltage: 120 VAC, 1.1 A, 60 Hz  
Power Cord: Permanent

### Product Safety Data

UL/CSA Certified  
CARB Certified  
RoHS Compliant
